

  
**Friends of Brooker Creek Preserve**  
**Return the Preserve Work Days**

Attention Civic Groups, Businesses, School Groups, and more!

If you are looking for a hands-on volunteer opportunity, consider partnering with the Friends of Brooker Creek Preserve (FOBCP) for a work day at Brooker Creek Preserve! Volunteers will work with FOBCP to remove exotic and invasive plants to help “return the Preserve” to its natural state.

Student volunteers pulling down overgrown grapevine.

Volunteers cutting vines into manageable pieces.

Volunteers removing invasive St. Augustine grass.

Past groups who have worked with FOBCP include:

- Keep Pinellas Beautiful
- Tarpon Springs Rotary Club
- East Lake High School Environmental Club
- Nielsen
- Hillsborough Academy of Math & Science
- Scout Groups
- Mitchell High School Honor Society
- Sickles High School Honor Society

This is a wonderful opportunity for your group to bond together while working for a good cause.
